(Applicants may use the Standardized Permit Application CIWMB 92).

16. Legal Description of Facility: (description may be attached)

**PARCEL MAP 14061 PARCEL 6 BOOK 174 PAGE 71 PARCEL MAP 14061 PARCEL NO 6**

17. Findings:

a. This permit is consistent with standards adopted by CalRecycle, pursuant to Public Resources Code Section 44010.

b.  A CEQA exemption (state the type, and identify section of exemption, or N/A), Categorical Exemption: Class 1, Existing Facility, CCR Section 15301, or  a (state type of environmental document, date, and SCH#) has been filed with the State Clearinghouse and adopted or certified. Where mitigation measures have been identified, a Mitigation Reporting or Monitoring Program has been adopted as part of the project pursuant to Public Resources Code Section 21081.6.

c. The following authorized agent San Bernardino County Planning Department has made the determination that the facility is consistent with the applicable general plan, as required by Public Resources Code, Section 50000.5(a).

d. The operation of this facility is consistent with the  County Solid Waste Management Plan (50000), or the  County Integrated Waste Management Plan (50001).

e. The design of the proposed facility or the design and operation of an existing facility, as appropriate, is in compliance with State Minimum Standards for Nonhazardous Ash Operations and Facility Regulatory Requirements, Title 14, Division 7, Chapter 3, Article 5.8 of the California Code of Regulations.

f. Public Resources Code Section 44009 has been complied with.

18. In addition to this permit, the facility may have one or more of the following permits or restrictions on its operations. Persons seeking information regarding these items should contact the appropriate regulatory agency.

Report of Nonhazardous Ash Disposal Site Information  
State Water Resources Control Board/Regional Water Quality Control Board Waste Discharge Requirements or Waiver  
National Pollutant Discharge Elimination System (Stormwater) Permit  
Fire Protection District Findings  
Mitigation and Monitoring Measures (pursuant to the California Environmental Quality Act )  
Conditional Use Permit/Land Use Permit  
California Environmental Quality Act Environmental Impact Report or Negative Declaration  
Air Pollution Permits and Variances  
Coastal Commission Restrictions

Other Permits may also apply

19. Terms and Conditions:

a. The operator shall comply with applicable state minimum standards set forth in Title 14, Division 7, Chapter 3, Article 5.8 of the California Code of Regulations.

b. The operator shall comply with all applicable mitigation and monitoring measures that are to be implemented with the enforcement agency.

c. The operator shall maintain a copy of this standardized permit at the facility or at a location agreed upon by enforcement agency, to be available at all times to facility, enforcement agency, and CalRecycle personnel.

d. The operator shall maintain and make available for inspection by the enforcement agency and CalRecycle all correspondence and reports provided to other regulatory agencies that have jurisdiction over the facility.

e. The design capacity of 317 cubic yards per day of nonhazardous ash being disposed of shall not be exceeded.

f. The facility has a total operating area of 10 acres.

g. The maximum quantity of nonhazardous ash that can be received per any operating day is 317 cubic yards.

h. The days and hours of operation shall be 24 hours, 7 days per week.

i. Additional clarifying information concerning the design and operation of the nonhazardous ash facility shall be furnished upon written request of the enforcement agency or the CalRecycle.

j. Unless specifically permitted or allowed under Title 14, Division 7, Chapter 3, Article 5.8 of the California Code of Regulations, the facility shall only accept nonhazardous ash.

k. Migration of wastes, leachate, or dust off-site are prohibited.

l. The facility, if located outside of a city, shall be maintained in compliance with the flammable clearance provisions, pursuant to Public Resources Code Section 44151.
