February 7, 2014

Marvin Moskowitz, Director
Department of Environmental Health Services
168 North Edwards Street
Independence, California 93526

SUBJECT: Request to Reduce Landfill Gas Monitoring Frequency at the Shoshone Landfill
Facility No. 14-AA-0006

Dear Mr. Moskowitz:

The Department of Resources Recycling and Recovery (CalRecycle) staff have reviewed your request, dated July 22, 2013, to change the required landfill gas monitoring frequency from at least quarterly, to at least semi-annually, at the Shoshone Landfill,.

Staff has determined that your request meets the requirements of Title 27, California Code of Regulations (CCR), Section 20933(b) and is approved. The operator should place a copy of your approval into their operating records for the facilities.

If you have any questions or comments, please contact Margie Comotto of the Permitting and Assistance Branch at (916) 341-6399 or margaret.comotto@calrecycle.ca.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "S Markie".

Susan Markie, Chief
Permitting & Assistance Branch
Waste Permitting, Compliance & Mitigation Division
