The Sonoma County Environmental Health Department, Solid Waste Management Program, acting as the Local Enforcement Agency (LEA) is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within its jurisdiction. The Central Disposal Site operates under a Solid Waste Facility Permit issued by the LEA. The operator has filed an application for a JTD amendment with the LEA. The JTD describes the design and operation of the facility.

As required by 27 CCR, Section 21660.1, the LEA is distributing this notice for the purpose of noticing its acceptance of the amendment to the JTD for Central Disposal Site.

Description of Project

The JTD amendment addresses the following change:

1. New and replacement processing equipment for the Central Disposal Site.

LEA's Determination

An application for a JTD amendment was received by the LEA on December 1, 2015. Pursuant to 27 CCR, Section 21665(c), the LEA reviewed the application and determined that the proposed change is consistent with all adopted CEQA documents, is consistent with State Minimum Standards and does not conflict with the terms and conditions of the current SWFP. The LEA approved the JTD amendment on December 3, 2015.

Where to Get Additional Information

A copy of the JTD amendment permit application is available for public review by appointment in the LEA office located at 625 5th St., Santa Rosa, CA 95404.
