LEA Acceptance of Permit Time Waiver

Dear Ms. Markie,

On June 22, 2016, the City of Los Angeles Local Enforcement Agency (LEA) received a request from Recology Los Angeles to waive the statutory permit timeline so that they could consider potential construction options that may be required by other regulatory agencies. The LEA has reviewed the request and has granted the time waiver until October 1, 2016. The LEA would like to request that CalRecycle return the proposed permit that was previously submitted for the Recology LA facility.

If you have any questions, please contact me at (213) 252-3932.

Sincerely,

David Thompson, Program Manager
Local Enforcement Agency
