**RE: Recology Los Angeles Facility, SWIS # 19-AR-0303
Solid Waste Facility Permit (SWFP) Time Waiver**

Dear Mr. Hackett and Mr. Thompson,

To allow CalRecycle additional time to consider the proposed solid waste facility permit revision for the Recology Los Angeles Transfer Station and Materials Recovery Facility (SWIS # 19-AR-0303), as the applicant for the permit, we hereby expressly waive the time for the Local Enforcement Agency (“LEA”) to consider the permit application under Public Resources Code Section 44008 and for CalRecycle to consider the proposed permit under Public Resources Code Section 44009 and under any CalRecycle regulations which implement or interpret those statutes or otherwise set time periods for CalRecycle or the LEA to review and act on a permit application or a proposed permit. This waiver terminates on October 1, 2016, unless we extend it by a writing delivered to the LEA and CalRecycle.

If you have any questions, please feel free to contact Nicole Proiette, Environmental Planner, at (415) 875-1157 or nproiette@recology.com.

Sincerely,
