Please be advised that CalRecycle acting as the Solid Waste Enforcement Agency (EA), has received and approved for issuance per Title 14 California Code of Regulations §18104.2, a Registration Permit Application for the Buckeye Material Recovery and Processing Facility. As EA, CalRecycle is authorized to enforce state laws and regulations at solid waste sites in San Luis Obispo County, including all active and closed landfills.

Project Description

Buckeye Material Recovery and Processing Facility is an existing operation on 5 acres in Paso Robles which sorts curbside collected recyclables. The operation proposes to increase the vehicles authorized to access the site to 98 per day and open the materials recovery center to the public. On January 7, 2011, the EA received a permit application for review. The EA finds the package complete and the applicant is eligible for issuance of a Registration tier permit.
