Request Date: April 5, 2010

Decision Subject: Concurrence on Proposed Modified Full Solid Waste Facilities Permit for Victor Valley MRF & Transfer Station, SWIS No. 36-AA-0346

Action By: May 21, 2010

Summary of Request: This is a request that the Director take action on a proposed modification to the Solid Waste Facilities Permit for the Victor Valley MRF & Transfer Station, SWIS No. 36-AA-0346, located in San Bernardino County. Staff's findings and recommendations are provided relative to the proposed action.

The proposed permit was received on February 24, 2010. A different version of the proposed permit was received after the initial submittal on March 22, 2010. Action must be taken on this permit no later than May 21, 2010. If no action is taken by May 21, 2010, the Director will be deemed to have concurred with the issuance of the proposed permit.

Recommendation: Based on our review of the submitted permit package, staff recommends the Program Director concur with the issuance of the permit. All of the required submittals and findings required by Title 27, Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the table found in the Waste Compliance and Mitigation Program Staff Report attachment. The documents on which staff's findings are based are in the facility files. Details on the findings are presented in more detail in the Waste Compliance and Mitigation Program Staff Report.

Program Director Action: On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report, I concur in the issuance of the Modified Full Solid Waste Facilities Permit for Victor Valley MRF & Transfer Station as proposed.

Dated: April 5, 2010
