Decision Subject: Five-Year Review Report For The Countywide Integrated Waste Management Plan For The County Of Yolo

Action By: April 17, 2012

Summary of Request:

Public Resources Code (PRC) Sections 41770 and 41822 require the Department of Resources Recycling and Recovery to review and approve or disapprove each Countywide or Regional Agency Integrated Waste Management Plan Five-Year Review Report. The County of Yolo (County) has submitted a Five-Year Review Report of its Countywide Integrated Waste Management Plan (CIWMP) that concludes a revision to the County's Siting Element is necessary at this time. Due to the closure of the University of California, Davis Landfill a revision schedule for the Siting Element was requested by CalRecycle staff and has been submitted by the County. This memo requests approval of the County's Five-Year CIWMP Review Report findings.

Recommendation:

Based on staff review of the County's Five-Year CIWMP Review Report, staff found that the requirements have been satisfied, and concur that a revision of the Siting Element is necessary due to the closure of the University of California, Davis Landfill. A revision schedule (Attachment 1) has been submitted as required. Staff recommends approval of the County's Five-Year CIWMP Review Report.

Branch Chief Action:

On the basis of the information and analysis in this Request for Approval and the background information and findings set out herein, I hereby approve the County's Five-Year CIWMP Review Report.
