Request Date: May 20, 2011

Decision Subject: Concurrence on a Minor Waste Tire Storage Facility Permit for B & B Tire and Rubber Company

Action By: May 28, 2011

Summary of Request: This is a request that the Branch Chief approve a new Minor Waste Tire Storage Facility Permit for B & B Tire and Rubber Company, Yolo County – Facility TPID No. 1002464. Staff’s findings and recommendations are provided relative to the proposed action.

Staff received an application for a Minor Waste Tire Facility Permit on August 26, 2010. A letter rejecting the application was sent out on September 7, 2010 and staff worked with the operator to complete a new application package. The operator submitted another application November 23, 2010, which was accepted as complete and correct on November 29, 2010. CalRecycle is required to act by May 28, 2011.

Recommendation: Based on our review of the submitted permit package, staff recommends issuance of the permit. The applicant has met all the necessary application requirements outlined in 14 CCR, section 18431 pertaining to the issuance of a Minor Waste Tire Facility Permit. The documents and analysis on which staff’s findings are based are in the facility file.

Program Chief Action:

On the basis of the information, analysis and findings in the staff report attached to this Request for Action and staff recommendation, I hereby issue the Minor Waste Tire Storage Facility Permit for Waste Tire Products Research and Development, TPID No. 1000519.

Dated: 5/20/11
