November 21, 2011

10. Permit Application Renewal Due Date:

November 21, 2015

11. Permit Expiration Date:

November 21, 2016

WASTE TIRE FACILITY PERMIT

Facility/Permit Number:

TPID # 1619119

12. Legal Description of Facility:

Assessor's Parcel Number (APN): 6170-014-005

13. Findings:

- a. This permit is consistent with the standards adopted by the Department of Resources Recycling & Recovery (CalRecycle) as required by Title 14, California Code of Regulations (CCR), Division 7, Chapter 6.
- b. The design and operation of the facility is consistent with the Waste Tire Storage and Disposal Standards applicable to a minor waste tire facility, pursuant to PRC Section 42830 et. seq. and implementing regulations found in 14 CCR, Division 7, Chapter 3.
- c. The facility site is located in a Manufacturing zone, and is consistent with the City of Lynwood's General Plan policies and zoning designation. It is determined that the project is categorically exempt pursuant to 14 CCR, Section 15301 – Existing Facilities.
- d. The site has a maximum waste storage capacity of approximately 12,600 waste tires.
- e. This permit does not release the permittee from their responsibility under any other existing laws, ordinances, regulations, or statutes of other government agencies.

14. The following documents describe and/or restrict the operation of this facility:

	Date		Date
<input checked="" type="checkbox"/> Permit Application (CIWMB 500)	08/01/11	<input checked="" type="checkbox"/> Vector Control Approval	06/15/11
<input checked="" type="checkbox"/> Operation Plan (CIWMB 501)	08/01/11	<input checked="" type="checkbox"/> Local Fire Authority Approval	06/09/11
<input checked="" type="checkbox"/> Environmental Information (CIWMB 502)	08/01/11	<input checked="" type="checkbox"/> Local Planning Agency Approval	06/02/11
<input checked="" type="checkbox"/> Emergency Response Plan (CIWMB 503)	08/01/11	<input checked="" type="checkbox"/> Lease Agreements	02/01/10
		<input checked="" type="checkbox"/> Business License #13746	10/12/10

15. Conditions:

- a. The permittee shall store no more than a total of **4,999** waste tires on-site, at any given time. A waste tire includes a repairable tire, scrap tire, baled tire and altered waste tire, but does not include a tire derived product, crumb rubber (less than or equal to 1/4 inch in size), or a properly stored used tire.
- b. The design and operation of this facility shall comply with the applicable Waste Tire Storage and Disposal Standards contained in 14 CCR, Division 7, Chapter 3. The permittee shall also comply with the permitting requirements in 14 CCR, Division 7, Chapter 6.
- c. In the event of a fire or other emergency, the permittee shall notify CalRecycle within 24 hours.
- d. Upon presentation of proper credentials, the Local Enforcement Agency, CalRecycle staff, or other authorized agent of CalRecycle, shall be allowed to enter the permitted facility during normal operating hours to examine and copy books, papers, records, or memorandum, to take photographs of the tire storage area, and to conduct inspections and investigations pertaining to the facility. CalRecycle staff, designated contractors and representatives shall also have access to the facility to investigate, remediate, or stabilize the facility, if such activities are deemed necessary to protect the public health, safety and the environment.
- e. A copy of this permit shall be posted in a visible location at the facility.
- f. The permittee shall maintain copies of all comprehensive trip logs documenting tire movement in and out of the facility for a minimum of 3 years.

WASTE TIRE FACILITY PERMIT

Facility/Permit Number:

TPID # 1619119

15. Conditions: (continued)

- g. The permittee shall maintain a copy of the Fire Authority approval at the facility. The permittee shall maintain a copy of the Emergency Response Plan at the facility. At the time of permit issuance, the permittee shall forward a copy of the Emergency Response Plan to the local fire authority. The Emergency Response Plan shall be revised as necessary to reflect any changes in the operations of the waste tire facility or requirements of the local fire authority. Such revisions to the operation plan or emergency response plan will not be effective until CalRecycle concurs with the revisions. All emergency phone numbers shall be updated immediately. The local fire authority and CalRecycle shall be notified of any changes to the plan within 30 days of implementing the revision.
- h. Other local permits or approvals referenced in this permit shall be maintained in force during the term of this permit. In the event the permittee intends to modify any permit or approval from another government program, including but not limited to CalRecycle programs, during the term of this permit, the permittee shall notify CalRecycle in writing within at least 30 days prior to the change and include copies of any renewed or modified permits or approvals from these agencies. In the event any permit or approval from another government program is suspended or revoked, or expires during the term of this permit, the permittee shall notify CalRecycle in writing within 5 working days of the suspension, revocation or expiration, and include copies of the pertinent documents with the notification.
- i. The permittee shall notify CalRecycle in writing of each administrative change no later than seven (7) business days after the change is effective. Administrative changes shall include, but not be limited to changes to any information in the application that does not apply to the design or operation of the facility.
- j. If the owner or operator of this facility plans to sell, encumber, or transfer or convey the ownership or operation of the facility or land to a new owner or operator, or who plans to change their address, then the permittee shall notify CalRecycle 30 days prior to the date of the planned transaction. The new owner or operator shall submit information to CalRecycle as prescribed in 14 CCR, Division 7, Chapter 6, Section 18428.
- k. The permittee shall maintain a copy of the approved Waste Tire Facility Operation Plan (Operation Plan) at the facility. All site conditions, equipment, and precautions outlined in the Operation Plan shall remain in force. In no case shall the permittee implement any change of the permit conditions herein without first seeking approval from CalRecycle by submitting a written notice of the proposed change to the Enforcement Agency at least 90 days in advance of the change.
- l. The terms and conditions of this permit may change as a result of a revision of CalRecycle's statutes or regulations.
- m. The permittee must report to CalRecycle the receipt of 10 or more waste or used tires from unregistered haulers in a manner that is consistent with Title 14 CCR, Section 18461.
- n. CalRecycle staff reserves the right to suspend or modify waste tire receiving and/or storage operations when deemed necessary due to an emergency, a potential health hazard or the creation of a public nuisance, to protect the public health and safety, protect and rehabilitate or enhance the environment, or to mitigate adverse environmental impacts.
- o. Violation of any term or condition of this permit or the Waste Tire Storage and Disposal Standards may result in enforcement action(s) which include but are not limited to the following: issuance of orders (clean up and abatement or cease and desist); penalties (civil, administrative, criminal); and permit revocation or suspension.
- p. The permittee shall only give, contract, or arrange with California registered used and waste tire haulers to transport waste tires or tire pieces (greater than 1/4") away from the facility, unless the hauler is exempt as specified in PRC §42954, or CalRecycle has granted written approval to the permittee or the hauler.
- q. Prior to initiating closure of this facility, the permittee shall notify and obtain written approval from CalRecycle of the proposed final destination sites, where the tires are planned to be taken (14 CCR Section 18440 and 18441).

WASTE TIRE FACILITY PERMIT

Facility/Permit Number:

TPID # 1619119

15. Conditions: (continued)

- r. Waste tire storage shall be arranged as approved by the local fire authority and as detailed on the Plot Plan on page 5 of this permit. Waste tires shall be stored within the following storage areas:

#1 – 3 x [48 feet (l) by 8 feet (w) by 12 feet (h)];

#2 – 68 feet (l) by 16 feet (w) by 8 feet (h);

#3 – 32 feet (l) by 28 feet (w) by 8 feet (h);

#4 – 32 feet (l) by 16 feet (w) by 8 feet (h); and

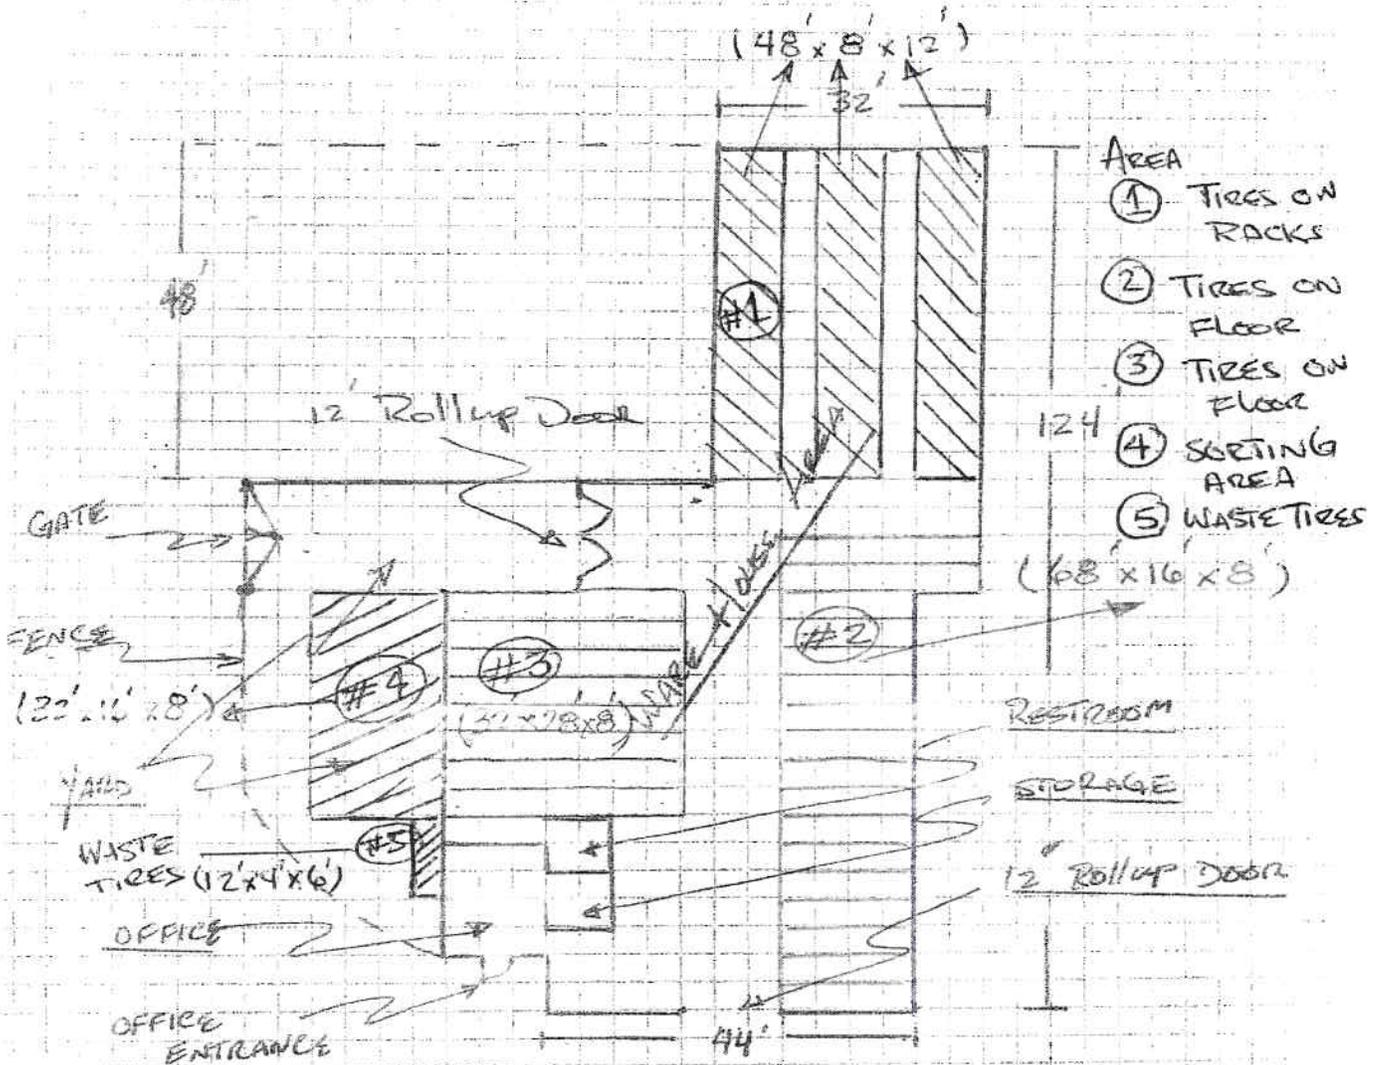

#5 – 12 feet (l) by 4 feet (w) by 6 feet (h).

As stated in condition 15.a, the permittee shall store no more than a total of **4,999** waste tires in these areas combined, at any given time.
