Request Date: August 23, 2010

Decision Subject: Amended Nondisposal Facility Element For The County Of Alameda

Action By: September 23, 2010

Summary of Request:

Public Resources Code (PRC) Sections 40900 et seq., describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans. PRC Sections 41730 et seq. require that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of PRC Section 41780. Cities and counties must amend their NDFE if they are adding or deleting facilities.

The County of Alameda submitted a NDFE amendment for the facility identified below. Based on review of the amended NDFE, staff found that all of the foregoing requirements have been satisfied and that the amended NDFE substantially complies with PRC Sections 41730, et seq., and recommends approval. This memo requests approval of the County's amended NDFE.
