Subject: Approval of Request of the First Extension of Compliance Schedule beyond Two Years for California Street Landfill, Facility (36-AA-0017), San Bernardino County

Dear Mr. Dugas:

I have received and considered your agency's request to extend the compliance schedule due date for California Street Landfill Facility by an additional one year. The request is consistent with the provisions of Title 14, California Code of Regulations (CCR), Section 18365(b). The operator has made a good faith effort to attain compliance with our standards. The LEA is also taking the appropriate steps needed in enforcing our standards.

Therefore, I hereby approve your request for the extension of the compliance schedule until May 19, 2017 with the understanding that a revised Compliance Schedule is issued. The LEA needs to update the Compliance Schedule to include updated milestones with a formal compliance date of May 19, 2017 to comply with 27 CCR 20921 – Gas Monitoring and Control.

Thank you for your work in the matters of the California Street Landfill, and in your commitment to work in partnership with CalRecycle staff. Please forward a copy of your agency's final revised Compliance Schedule to CalRecycle when issued to the operator. If you have further questions regarding this letter, please contact Mr. Tadese Gebrehawariat, Supervisor, Inspections and Enforcement Agency Compliance Unit A, at (916) 341-6402 or by email at Tadese.Gebrehawariat@calrecycle.ca.gov.

Sincerely,
