PUBLIC NOTICE IS HEREBY GIVEN, in compliance with AB1497 and CCR, Title 27, Section 21660 to 21660.4, that the County of Sonoma Department of Health Services, Environmental Health Division, Solid Waste Local Enforcement Agency (LEA) will be holding an informational public hearing to consider a permit revision of the Guerneville Transfer Station Solid Waste Facility Permit, SWIS # 49-AA-0144. This transfer station is located at 13450 Pocket Dr, Guerneville, CA 95446.

The LEA is certified by the California Integrated Waste Management Board to enforce state laws and regulations at solid waste sites in the County of Sonoma. The purpose of this meeting is to make public the preliminary determination of the action to be taken by the LEA on the Solid Waste Facility Permit application package for the Guerneville Transfer Station, submitted on April 24, 2007, to the County of Sonoma LEA, and accepted on May 18, 2007. The LEA's preliminary determination is that the following proposed permit revision be approved pursuant to CCR Title 27, Section 21665:

- An expansion of the facility acreage from the currently permitted transfer station boundary of 1.5 acres to approximately 3.14 acres to accommodate the relocation of the scrap metal salvage area to an alternate site and allow segregation from solid waste transfer operations. The permitted tonnages, vehicles, and operating hours will remain unchanged.

A copy of the permit revision application package and proposed permit revision is on file and available for public inspection in the LEA office, located at 475 Aviation Blvd., Ste 220, Santa Rosa, CA 95403. Contact Christine Sosko at (707) 565-6546.
