## PUBLIC HEARING NOTICE

### LANDERS SANITARY LANDFILL SOLID WASTE FACILITY PERMIT REVISION TO EXTEND THE CLOSURE DATE AND MODIFICATION OF THE FINAL GRADING PLAN

The County of San Bernardino Department of Public Health, Division of Environmental Health Services, Local Enforcement Agency (LEA) will conduct a public hearing pursuant to Public Resources Code 44004 to receive public input from interested parties regarding the Solid Waste Facility Permit (SWFP) revision for the Landers Sanitary Landfill (SWIS #36-AA-057), located at 59200 Winters Road, four (4) miles east of Hwy 247, Landers, CA. The operational changes are being proposed to better serve the disposal needs of the Landers area.

Proposed operational changes include:

- 1) Extension of the estimated closure date from February 2013 to August 2018 due to a decrease in the refuse inflow (approximately 50% decrease since 2006); and
- 2) Modification of the final grading plan, consisting of a reconfiguration of how refuse is land filled resulting in more efficient airspace management. There is no change in the landfill's existing permitted capacity.

All comments received at this Public Hearing will be accepted by the County of San Bernardino Department of Public Health, Division of Environmental Health Services, LEA and forwarded to the Department of Resources Recycling and Recovery (CalRecycle) for their consideration of concurrence to revise the Solid Waste Facilities Permit for the Landers Sanitary Landfill. All comments will be considered when the LEA makes a determination to process the proposed permit. CalRecycle will act on the LEA's recommendation for a revised SWFP at a Board meeting to be scheduled within the next 90 days.

**What:** Public Hearing

**Where:** Belfield Hall  
58390 Reche Road  
Landers, CA 92285
