---

The Los Angeles County Department of Public Health, Solid Waste Management Program, acting as the Local Enforcement Agency (LEA) will be holding a Public Informational Meeting in compliance with Public Resources Code Section 44004 for a permit revision. The LEA is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within the Los Angeles County.

#### Description of Project

The permit revision is to incorporate additional perimeter monitoring gas probes located outside the current permitted landfill boundary for compliance with California Code of Regulations Title 27. These additional probes enhance the existing landfill gas monitoring system.

#### Purpose of the Meeting

This Public Informational Meeting is for any interested parties to learn more about the permit revision and to provide comments to the LEA. The meeting is strictly informational and **no official decision will be made at the meeting** regarding the formal determination on the solid waste facility permit application.

#### Where to Get Additional Information

A copy of the permit revision application is available for public review by appointment in the LEA office located at 5050 Commerce Drive, Baldwin Park, CA 91706

#### Options for Submitting Comments and LEA Contact Information

If you would like to comment on this project you may do so at the meeting, but if you are unable to attend the meeting, you may send your written comments to Dee Lugo via email at [dlugo@ph.lacounty.gov](mailto:dlugo@ph.lacounty.gov) by mail or fax (626) 813-4839.

#### Appeals Process Information

For information on the appeals process pursuant to PRC §44307 you may contact Gerry Villalobos at (626) 430-5540.
