PUBLIC NOTICE IS HEREBY GIVEN, in compliance with Section 21660.1, Title 27, of the California Code of Regulations (AB 1497), that the Imperial County Environmental Health Services, as the certified Local Enforcement Agency (LEA) for the California Integrated Waste Management Board, has approved an application for an amendment to the Processing Report for the Valley Environmental Services – Recycling Facility as described below:

Project Name/Location: Valley Environmental Services, 702 E. Heil Street, El Centro
(Solid Waste Facility Number: 13-AA-0091)

Facility Contact: Kevin Kelly, General Manager (928) 237-0368
Ron Rubio, Facility Operations Manager (760) 336-0004

Description of Change:

- The description of operations in the Facility Processing Report has been revised to reflect the recent installation of a conveyor belt and trommel screen to improve the recycling efficiency of the Facility. - Personnel changes at the Facility have been reflected in the revised Processing Report.

Date of LEA Approval: On May 2, 2007 the LEA accepted the application for a Processing Report amendment as complete and correct. The LEA has determined the proposed revisions are consistent with the California Environmental Quality Act (CEQA) and the Solid Waste Facility Permit for the facility. A copy of the amendments are on file and available for public review in the LEA office located at 797 Main Street, Suite B, El Centro, California 92243.
