The Los Angeles County Department of Public Health, Solid Waste Management Program (SWMP), acting as the Local Enforcement Agency (LEA) is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within its jurisdiction. Waste Management South Gate Transfer operates under a Solid Waste Facility Permit (SWFP) issued by the SWMP. On **September 24, 2012**, the operator filed an application for amendments to their Report of Facility Information (RFI).

Description of Project

The RFI amendments consist of the following: Reconfiguration of the tipping area lane assignments, addition of a baler and bale storage area, addition of a rumble grate and the addition of commingled single-stream recyclables.

LEA's Determination

Pursuant to Title 27, California Code of Regulations (27 CCR), Section 21665 (c), SWMP reviewed the application and determined that the proposed change is consistent with all adopted CEQA documents, is consistent with State Minimum Standards and do not conflict with the terms and conditions of the current SWFP. The SWMP approved the RFI amendments on **October 09, 2012**.

Where to Get Additional Information

Documents are available for public review by appointment only at the LEA office located at 5050 Commerce Drive, Baldwin Park, CA 91706

Appeals Process Information
